

## MAINE NURSING PRECEPTOR EDUCATION PROGRAM

*Inspire. Teach. Guide. Invest.*

# How Does This Program Work?

### 1 Register for the Program

Program registration can be completed online. The registration link for 2022 will be forthcoming when the program dates are announced.

- ✓ The Norman Knight Nursing Center for Clinical & Professional Development at Massachusetts General Hospital is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (OBN-001-91)
- ✓ No conflict of interest exists for anyone in a position to control the content of this activity.

Prior to registering for the program, please review the following [criteria and conditions of participation](#).

For specific questions regarding the program, please email [info@lunderdineen.org](mailto:info@lunderdineen.org).

### 2 Online Modules

The online component of the program includes completing eight learning modules. A ninth module is offered as an optional learning module. Access to the modules for the 2022 program will be shared with all participants. Course participants have several weeks to complete the eight 30-minute online modules.

### 3 Virtual Workshop

Following completion of the modules, course participants will join the virtual workshop. Virtual workshops dates for 2022 are TBD.

### 4 Final Steps to Complete the Program

The final steps in the program are completed after the virtual workshop.

- ✓ Complete the Workshop Evaluation.
- ✓ Print the Nursing Contact Hours Certificate.
- ✓ Share the "Preceptor Action Plan" developed during the workshop with your sponsor (for Nurse Preceptors).

Visit [lunderdineen.org](http://lunderdineen.org) for more information.
